**B. Kamins Product Line**

**B. Kamins - Bio Maple Therapeutic Anti-Aging Hand Treatment**

Product ID: 25200

An anti-aging hand cream that combines powerful hydrating and skin firming agents with a skin lightening complex that helps fade unsightly discolorations.

- Targets skin elasticity and firmness and helps to reduce the appearance of crinkly-looking skin
- Helps fade age spots and unify skin tone
- Contains a cocktail of powerful hydrating compounds to soften skin and wrinkles
- provides effective anti-oxidant and UVA/UVB protection
- Lightweight, quick penetrating, non-greasy oil-free serum formulation

**Retail Price:** \$42.00

**Usage:**

Apply generously each morning on clean hands. Re-apply as needed throughout the day, especially after frequent hand washing.

Dermatologist recommended. Not tested on animals.

---

**B. Kamins - Bio Maple Therapeutic Replenishment Serum**

Product ID: 25201

This rejuvenating anti-aging night serum helps smooth and hydrate wrinkled, slackened skin. An array of potent ingredients are delivered to the skin to combat signs of aging while sophisticated technology retains the ingredients up to 24 hours by forming a 'second skin' barrier to ensure the effectiveness of the formula. Works while you sleep to deliver a deep, long-lasting surge of hydration to the skin.

- Smooths fine lines & wrinkles
- Provides retinoid-like anti-aging benefits without harsh side effects
- Stimulates collagen production and cell turnover, thanks to Oligopeptide-4
- Provides anti-oxidant protection

**Retail Price:** \$120.00

**Usage:**

Apply to the entire face and neck area, on cleansed skin, every night before bedtime. Follow with our Therapeutic Anti-Aging Moisturizer. For very dehydrated and damaged skin, use morning and night.

Dermatologist recommended. Not tested on animals.

---

**B. Kamins - Booster Blue Rosacea Cleanser**

Product ID: 18903

A gentle cleanser that effectively rids skin of dirt and impurities, while helping to soothe and calm reddened, inflamed skin. Combines our unique Bio-Maple™ compound technology with bisabolol derived from natural chamomile to help moisturize and relieve rosacea type skin.

**Retail Price:** \$36.00

**Usage:**

Apply to wet face, avoiding eye area. Massage with fingertips and rinse thoroughly. May be used twice daily, or as needed.

---

**B. Kamins - Booster Blue Rosacea Masque**

Product ID: 18905

A cooling and pampering weekly facial treatment that blends bisabolol, esculin, Bio-Maple™ compound and our distinctive blue-green optic to help treat, cosmetically neutralize and lighten the redness and ruddy couperose complexion associated with rosacea. The result is a calming, more natural, healthy-looking complexion that remains beautiful all day long.

**Retail Price:** \$50.00

**Usage:**

Wet skin and apply to face. Allow to dry for 5-10 minutes and remove with water or a soft damp cloth. Rinse well and continue with normal skin regimen. May be used up to two times weekly as needed.

---

**B. Kamins - Booster Blue Rosacea Treatment**

Product ID: 18904

A topical emollient anti-inflammatory preparation which blends into the skin to cosmetically neutralize and reduce the appearance of redness and blotchiness associated with rosacea. Helps restore smoothness while calming and soothing skin. May be applied alone or in conjunction with other topical treatments.

**Retail Price:** \$75.00**Usage:**

Apply morning and night only to reddened areas of the face. May be reapplied during the day as needed.

---

**B. Kamins - Cellular Renewal Serum**

Product ID: 18923

This advanced cellular renewal serum helps restore clarity, radiance and suppleness to damaged skin. Aids in the reduction of skin blotchiness, refines skin texture, and helps to improve color tone. Our Bio-Maple™ compound technology, combined with naturally derived alpha hydroxy acids, stimulates the turnover of new cells, and helps improve the visible effects of harsh environmental influences.

**Retail Price:** \$75.00**Usage:**

Apply morning and night to cleansed face and neck, then moisturize as usual.

---

**B. Kamins - Day Cream SPF 15 Antioxidant Protection**

Product ID: 18915

This lightweight, non-greasy anti-oxidant day cream provides your skin with a healthy protective shield, essential nutrients, and continuous moisture release suited to a multitude of daytime environmental conditions, both indoors and outdoors. Our Bio-Maple™ technology helps fight wrinkles, moisturizes and enhances radiance throughout the day. A perfect primer for makeup. Also useful for soothing post microdermabrasion skin.

**Retail Price:** \$71.00**Usage:**

Apply each morning to cleansed face and neck. Reapply before prolonged exposure to the sun.

---

**B. Kamins - Day Lotion SPF 15 Oil-Free**

Product ID: 18920

A light, silky lotion that diffuses a blend of moisturizers, vitamins, and anti-oxidants into the inner layers of the skin's epidermis to enhance daylong comfort and hydration. The skin's outer layers are resurfaced with a protective shield, producing a healthy luminescent glow. Well suited to a multitude of daytime environmental conditions, both indoors and outdoors. A perfect primer for makeup.

**Retail Price:** \$71.00**Usage:**

Apply each morning to cleansed face and neck. Reapply before prolonged exposure to the sun.

---

**B. Kamins - Eye Cream Wrinkle Protection (Jar)**

Product ID: 18911

This soothing eye cream, formulated with Bio-Maple™ compound and Episphere-Blue technologies, helps fight fine lines and wrinkles while moisturizing and firming the delicate skin around the eyes. Helps reduce the appearance of under eye bags and dark circles. May be reapplied without smudging or distorting makeup application. Available in pump and jar formats.

**Retail Price:** \$60.00

**Usage:**

After cleansing, apply morning and night to outer eye area. Reapply as needed. Will not smudge or distort makeup application.

---

**B. Kamins - Hydrating Acne Wash**

Product ID: 18907

This gentle skin cleanser effectively dissolves excess oils, impurities and bacteria that cause acne breakouts, blackheads and spots. It also contains our moisturizing Bio-Maple™ compound, which prevents skin from over-drying. This oil-free formula is pH balanced and buffered with lactic and glycolic acids to help shed dry skin cells, while improving skin's texture and reducing the appearance of blemishes.

*An ELLE Magazine Genius Award Winner*

**Retail Price:** \$34.00

**Usage:**

Apply to wet face, gently massage with fingertips and rinse thoroughly. Use once daily, increasing up to two times daily if needed.

---

**B. Kamins - Hydrogen-Ion Moisturizing Toner**

Product ID: 18922

Moisturizing hydrogen-ion toners formulated to both moisturize and normalize skin to its delicate pH balance. This unique toner, formulated with our Bio-Maple™ compound technology, actively invigorates the upper skin layers with a gentle exfoliator while conditioning with plant extracts and moisturizers. Leaves the skin radiant, reawakened and refreshingly clean.

**Retail Price:** \$34.00

**Usage:**

After cleansing, spray directly onto face and neck or apply with cotton pad. AVOID CONTACT WITH EYES. Use morning and night.

---

**B. Kamins - Lip Balm SPF 20**

Product ID: 18926

A soothing treatment balm that helps heal and protect lips from sun, wind, and extreme temperatures. Repairs chapped, sore lips with Bio-Maple compound and softening essential oils. Also helps prevent the breakout of lip sores with broad spectrum UVA/UVB sun screening agents. Creates a smoother palette for lipstick application by diminishing the appearance of lip lines and reducing the feathering of lip color. Use anytime for fuller, more luscious lips.

*A Health Magazine Award Winner*

**Retail Price:** \$19.00

**Usage:**

Using the angled tube applicator, squeeze tube gently and apply directly to the lips 15-30 minutes before sun exposure. Reapply as necessary, especially after prolonged sun exposure, drinking or eating. Product is quite thick so be careful when expressing the product to avoid blow out of the back of the tube.

---

**B. Kamins - Maple Treatment Cream SPF15 (Pump)**

Product ID: 18914

A super emollient hydrating cream for the face and neck areas that helps to supplement the skin's natural oils that are diminished during the aging process. Contains the highest concentration of Bio-Maple™ compound technology, our exclusive ingredient derived from the sap of selected Canadian maple trees. Also useful for softening scars and dry areas.

**Retail Price:** \$105.00

**Usage:**

Apply each morning to cleansed face and neck. Reapply before prolonged sun exposure. May be used several times daily for extremely dry skin conditions.

---

**B. Kamins - Maple Treatment Day Cream SPF 15 (Jar)**

Product ID: 18917

A super emollient hydrating cream for the face and neck areas that helps to supplement the skin's natural oils that are diminished during the aging process. Contains the highest concentration of Bio-Maple(TM) compound technology, our exclusive ingredient derived from the sap of selected Canadian maple trees. Also useful for softening scars and dry areas.

[Free shipping on this item.](#)

**Retail Price:** \$105.00

**Usage:**

Apply each morning to cleansed face and neck. May be reapplied several times daily as needed. Reapply before prolonged exposure to the sun.

---

**B. Kamins - Maple Treatment Night Cream**

Product ID: 18921

A soothing bedtime companion that will help repair the driest of complexions. This emollient night cream combines anti-aging ingredients with the highest amount of our moisturizing Bio-Maple™ compound, to revitalize, replenish and heal parched dry skin while you are sleeping. When applied generously before bedtime, it aids in fighting daytime environmental damage and strengthens skin's natural defenses. A perfect combination with maple treatment cream spf 15 for ongoing day and night skincare.

**Retail Price:** \$110.00

**Usage:**

Apply generously to cleansed face, neck and decollete, avoiding eye area.

---

**B. Kamins - Medicated Acne Gel 10%**

Product ID: 18912

This unique benzoyl peroxide gel effectively treats moderate to severe acne breakouts and gently helps to clear spots, blackheads and blemishes on the face. Its oil and color-free formula contains our moisturizing Bio-Maple™ compound, which helps prevent skin from becoming excessively dry.

**Retail Price:** \$28.00

**Usage:**

To use: Apply a thin layer to affected areas on cleansed face. Begin with one application daily, gradually increasing up to two times daily. Reduce application if severe dryness occurs. Before sun exposure, always apply a sunscreen such as B. Kamins, Chemist Sunbar Sunscreen SPF 30. First allow acne gel to dry then follow sunscreen directions.

---

**B. Kamins - Medicated Acne Gel 5%**

Product ID: 18908

This unique benzoyl peroxide gel effectively treats mild to moderate acne breakouts and gently helps to clear spots, blackheads and blemishes on the face. Its oil and color-free formula contains our moisturizing Bio-Maple™ compound, which helps prevent skin from becoming excessively dry.

*A REDBOOK MVP Winner & Featured in SELF Magazine*

---

**B. Kamins - Night Cream with Marine Protein**

Product ID: 18919

This highly concentrated treatment system boosts skin's natural ability to repair its appearance and revitalizes dull, tired looking skin. Contains our exclusive Bio-Maple™ compound technology and anti-radical agents that provide the skin with essential nutrients which restore and protect skin's moisture balance. Helps to visibly diminish fine lines and wrinkles. Wake up in the morning to more energized, brighter, and fresher looking skin.

**Retail Price:** \$89.00

**Usage:**

Apply every night to cleansed face and neck. Helps to visibly diminish wrinkles by boosting skin's natural ability to repair its appearance.

---

**B. Kamins - Nutrient Replacement Cream (Menopause Cream)**

Product ID: 18916

Also known as Menopause Skin Cream and Baby-Boomer Cream. This dermatological cream helps to cosmetically minimize the symptoms that skin experiences prior to, during, and after menopause. It acts as a reservoir to provide essential nutrients and moisture, compensating for excess water loss. In addition, the formula contains our exclusive combination of Bio-Maple™ compound, Episphere-Blue™ and Profusion Ceramide™ technologies which help to cosmetically combat the important skin changes. The result is a delicate formula which provides a soothing, cooling effect while helping to reduce the appearance of premature lines.

**Retail Price:** \$135.00

**Usage:**

Apply gently morning and night to cleansed face and neck. Repeat use throughout the day, if needed. May be used alone or as a supplement to your daily routine in conjunction with other skin care products. Store at room temperature. Keep away from extreme heat or cold.

---

**B. Kamins - Revitalizing Booster Concentrate**

Product ID: 18906

This breakthrough formula soothes and helps heal sensitive, irritated and reddened skin. Contains an anti-inflammatory to restore smoothness while calming and soothing the skin. Formulated with no fragrance, no mineral oil, no lanolin, nor artificial colors to clog or irritate skin.

**Retail Price:** \$75.00

**Usage:**

Apply morning and night to cleansed face and neck, then continue with daily regimen.

---

**B. Kamins - Rosacea Moisturizer SPF 15**

Product ID: 18927

Fragrance -Free, Antioxidant protection, Sun Protection. Contains anti-redness ingredients while

moisturizing the skin. This therapeutic moisturizing barrier cools, calms, and relieves the redness associated with sensitive skin and inflammation associated with rosacea. An excellent daily treatment moisturizer with a sun protection factor of 15. Use in conjunction with the Booster Blue Rosacea Cleanser and Booster Blue Rosacea Treatment daily.

**Retail Price:** \$71.00

**Usage:**

Apply to clean skin after Booster Blue Rosacea Treatment. Reapply after towel drying, swimming, or perspiring. Children under 6 months of age should not use this product unless consulted by a physician.

---

**B. Kamins - Therapeutic Anti-Aging Moisturizer**

Product ID: 18913

A powerful anti-aging, anti-oxidant treatment emulsion, which helps rejuvenate, refine and lift fatigued, sallow complexions. This modern preparation is formulated using innovative technologies, including copper and zinc oligopeptides, alpha lipoic acid and our unique moisturizing Bio-Maple™ compound, to help reveal a remarkable resilient complexion. Useful for treating skin that is beginning to show signs of chronological aging and environmental stresses. Formulated with mineral aminopeptides, free radical scavengers, hydroscopic moisture-attracting molecules, physiological humectants and invisible film-forming occlusive technologies. This treatment preparation is also recommended for long-term use both before and after cosmetic surgical procedures.

**Retail Price:** \$150.00

**Usage:**

Apply to cleansed face and neck up to three times daily, avoiding eye area.

---

**B. Kamins - Therapeutic Anti-Aging Wrinkle-Lift**

Product ID: 18933

A unique toxin-free serum that combines innovative technologies in a gentle, injection-free, home treatment that targets wrinkles and expression lines. This exclusive BMC Oligopeptide Complex™ is formulated with amino zinc oligopeptides, which help improve and stimulate collagen production, powerful natural moisturizing factors that help plump and add suppleness to the skin, sterol triglycerides, which stimulate human skin oils, and our exclusive anti-aging Bio-Maple™ Compound. This synergistic physiological complex creates an instant tightening "lifting" sensation and helps firm and plump the skin making wrinkles appear to lift and soften. For optimal results, use in conjunction with the therapeutic anti-aging moisturizer.

**Retail Price:** \$145.00

**Usage:**

Apply to cleansed skin morning and evening or as needed, avoiding the eye area. Allow to penetrate 30 seconds. For optimal results, follow with B. Kamins Therapeutic Anti-Aging Moisturizer.

---

**B. Kamins - Therapeutic Eye Cream**

Product ID: 18925

New Product! An exceptional topical cosmeceutical treatment indicated for both dark circles around the eyes and skin bruising resulting from cosmetic skin procedures. Contains hesperetin, vitamin K, stabilized vitamin C, sodium hyaluronate and glycosaminoglycans to help strengthen fragile capillaries and cosmetically neutralize color differences in the orbital eye area. Also rich in zinc and copper oligopeptides to help decrease the period required for healing bruises, and Bio-Maple™ compound, a powerful humectant/moisturizer to help normalize a damaged stratum corneum.

**Retail Price:** \$98.00

**Usage:**

Gently clean area to be treated and pat a small amount onto skin up to three times daily, if

needed.

---
