Biopelle - Auriderm post-op gel

Product ID: 28012

Auriderm post-op gel with Vitamin K Oxide is a vitamin-enriched nanosome formulation that promotes healing and improves the unsightly appearance of post-procedure bruises.

Retail Price: \$25.90

Usage:

For best results, first application should be immediately post-procedure, being careful not to get any into stitches or open wound. Thereafter, cleanse the skin and apply Auriderm post-op gel liberally to affected areas twice daily, morning and evening.

Biopelle - Auriderm post-op gel

Product ID: 28013

Auriderm post-op gel with Vitamin K Oxide is a vitamin-enriched nanosome formulation that promotes healing and improves the unsightly appearance of post-procedure bruises.

Retail Price: \$39.90

Usage:

For best results, first application should be immediately post-procedure, being careful not to get any into stitches or open wound. Thereafter, cleanse the skin and apply Auriderm post-op gel liberally to affected areas twice daily, morning and evening.

Biopelle - Auriderm post-procedural relief kit

Product ID: 28014

Auriderm post-op gel with Vitamin K Oxide promotes healing and improves the unsightly appearance of post-procedure bruises.

Auriderm arnica montana tablets help to reduce the discomfort and swelling associated with post-procedure bruising.

Retail Price: \$39.90

Usage:

Auriderm post-op gel: For best results, first application should be immediately post-procedure, being careful not to get any into stitches or open wound. Thereafter, cleanse the skin and apply Auriderm post-op gel liberally to affected areas twice daily, morning and evening.
Auriderm arnica montana tablets: Begin taking tablets just prior to or immediately following your aesthetic procedure. To ensure proper absorption, do not brush your teeth, eat or drink anything but water 15 minutes before and 15 minutes after taking this product. This product is a sublingual application. Do not handle the tablets. Instead, drop tablets into bottle cap and place tablets directly under the tongue and let dissolve naturally. Take 4 tablets, 2 times a day, morning and evening.

Biopelle - Auriderm vanishing gel (for purpura)

Product ID: 28016

Auriderm vanishing gel helps to improve the appearance of chronic purpura.

Retail Price: \$49.90

Usage:

After cleansing the skin apply Auriderm vanishing gel liberally to affected area twice daily, morning and evening.

Biopelle - OC Eight Professional Mattifying Gel

Product ID: 12509

A breakthrough skin care product with a one-of-a-kind technology that gives you even-toned, beautifully matte skin. Like never before.

Retail Price: \$35.10

Usage:

Simply wash your face with a gentle cleanser. Apply your daily sunscreen and any medications. When your face is dry to the touch apply a thin layer of OC Eight Mattifying Gel. Finish by applying oil-free make-up as desired.
