Circadia - Acne Control Regimen

Product ID: 50022

Circadia **Cleansing Gel with Salicylic Acid** 8 oz

CLEANSING GEL WITH SALICYLIC ACID

A clear gel foamy cleanser with antiseptic Gentle enough to be used in a daily routine.

Reduces sebum without disturbing the protective lipid barrier.

Permits deep cleansing of dry skin and keratin plugs in the sebaceous follicle.

Helps prevent keratin plugs.

Has germicidal action that retards bacteria, reducing the formation of pustules.

Circadia **Daytime Control Lotion** 2 oz

Effective treatment for troubled, acne prone skin. Treats blemishes while it provides nourishing support to entire skin structure during the day.

A complex of gentle yet highly functional ingredients to soothe while controlling pimples.

Works all day to control sebum.

Benzoyl peroxide, a powerful germicide, helps clear the sebaceous follicle.

Exfoliating action sloughs away blackheads, reducing bacteria responsible for inflammation.

Circadia **Spot Stop** 1/2 oz

A clear light gel that is germicidal, anti-inflammatory and soothing.

- Fast, intensive treatment for pimples.

- Helps prevent full eruption for chronic acne or the occasional breakout

- Reduces redness and helps control inflammation and painful swelling.

- Provides germicidal action and accelerates healing.

Circadia **Night Time Control Lotion** 2 oz

Formulated for skin under 35 years, this is a light, velvety lotion containing anti-inflammatory and germicidal agents. Effective treatment for troubled, acne prone skin. Treats blemishes while it provides nourishing support to entire skin structure. Works synergistically to combat the cause of acne.

Contains established acne treatment ingredients in compliance with FDA monographs.

Concentration of natural botanical extracts enhances performance of OTC ingredients.

Helps control breakout and follicle congestion.

Retail Price: \$160.00

Our Price: \$123.00

Usage:

Circadia **Cleansing Gel with Salicylic Acid** 8 oz

Apply a small amount with moistened fingertips to face and neck.

Circadia - pherAdore

Product ID: 20523

By definition a pheromone is a chemical transported outside the body that has the potential to evoke certain responses in another individual of the same species. They were first identified in 1959 in animals as chemicals that attract the opposite sex and initiate mating behavior.

Women who have used pheromones report many positive effects in their social and business lives.

They report feeling much more confident, more relaxed. They have more contact with men, are approached more by men, have more affectionate contact with husbands and boyfriends. Women in the sales field even report an increase in sales.

Retail Price: \$70.00

Usage:

With roller top, dab area under the nose and above upper lip. Also apply to pulse points like wrists, and behind ears. Use twice a day. Can be used alone or with your favorite fragrance.

Circadia - Post Peel Lotion

Product ID: 20515

A unique combination of skin protectants and healers help soothe and protect tender skin. Also useful in relieving discomfort due to insect bites and stings, poison ivy and skin rashes. Absorbs quickly, speeding relief to tissues compromised by peels, surgery, razor, outdoor exposure to sun or insect bites.

Clinical studies demonstrate cellular improvement of UV-damaged skin.

Soothing after microdermabrasion or a peel.

Use post waxing.

Retail Price: \$36.00

Our Price: \$32.40

Usage:

Apply generously to first sign of redness or sensation of discomfort. Use as needed.

Circadia - Professional Firming and Shaping Gel

Product ID: 20509

Cooling and light, this fast absorbing gel contains effective ingredients to dramatically smooth the uneven appearance of cellulite.

Scientifically proven to reduce appearance of cellulite on thighs and buttocks

Noticeably smoothes and firms, improves skin tone and texture

Fast absorbing gel with natural fresh fragrance

Excellent companion product for in-clinic treatment with body wraps

May have redness, slight burn and sweating with this product.

Helps to metabolize fat and increase metabolism thru out the body.

Retail Price: \$32.00

Usage:

Dispense a generous amount into hands and briskly massage into entire thigh and buttock area.

Maximum results achieved when performed twice daily. Apply in morning one hour before

breakfast. Apply 30-minutes before retiring. Allow two hours after eating. Effectiveness greatly

enhanced when used before exercise.

Circadia - Rosacea RX Cream

After using appropriate cleanser, apply to entire face every night for 3 consecutive nights between 9 and 11 PM. Let the skin rest for 4 nights, using the Hydrating Cream in place of the Vitamin A Rx Gel. Continue 3 nights on and 4 nights off the Vitamin A Gel for 6 weeks.

Circadia - Vitamin C Reversal Serum
Product ID: 20505

A crystal clear gel with tightening and antioxidant properties. Gentle, and easily tolerated around the eye area. Gentle enough to use after microdermabrasion. Excellent post-surgery, healing, helps hyperpigmentation, and doesn't yellow like many Vitamin C products.

Retail Price: \$60.00

Usage:

Apply small amount to face and neck prior to day and/or night moisturizer.

Circadia - Vitamin Veil Cleanser
Product ID: 20500

A non-foaming, soy-based cleanser that nourishes and soothes. Gently & quickly removes all traces of makeup, debris and even mascara. May be used as an all-over body treatment before showering to replenish dry skin. Extremely gentle and healing post-surgical cleanser

Retail Price: \$40.00

Usage:

Use in evening. To remove eye makeup: Apply small amount to moistened cotton pad and swipe eye area clean of debris. Proceed to apply a small amount with fingertips to entire face and neck. Cleanse in a circular motion and rinse with warm facecloth. May be used as an all-over body wash to help add emollients to dry skin. Do once a week.

Circadia - White Veil Lightener
Product ID: 20514

An extraordinary complex of powerful tyrosinase inhibitors and nourishing proteins have demonstrated effectiveness as skin brighteners.

- Effective lightener that contains no acids or hydroquinone.
- Assays indicated 90% effectiveness.
- Does not promote free radical activity.
- Safely and effectively reduces pigmentation on the face and hands.

Retail Price: \$60.00

Usage:

Apply to pigmented areas on face and/or hands on clean skin. Apply after the Vitamin C Reversal Serum and before the moisturizer.
