**Earthen - InstantPeel**

Product ID: 11414

GREAT FOR THOSE WHO CAN'T USE GLYCOLIC ACID OR HAVE SENSITIVE SKIN! This is a natural dead skin remover. InstantPeel is an extraordinarily unique skin exfoliant that is the safe and gentle alternative to chemical peels. What is truly exciting about InstantPeel is it is all natural Free of oils, artificial colorants and detergents; hypoallergenic; allergy tested. InstantPeel binds only to dead skin and debris, leaving younger-looking, baby soft skin in its place. Chemical peels are painful and produce redness, the acidity level of InstantPeel is close to neutral, and there are no aftereffects. Dermatologist-approved, clinically tested InstantPeel is hypoallergenic and safe for even the most sensitive of skins.
