HydroPeptide Product Line

HydroPeptide - Anti-Wrinkle Exfoliating Cleanser

Product ID: 27852

Specifically designed to treat wrinkles, prevent collagen loss, fight against acne, and revive lifeless skin. It exfoliates to remove dead skin cells that clog pores, impede moisturization, and make skin look dull. Skin enhancing peptides reduce fine lines and wrinkles while softening the skin.

Retail Price: \$38.00

Usage:

Massage onto damp skin. Apply to face and neck in a gentle circular motion for 30 to 60 seconds. Rinse with warm water and pat dry. Follow with HydroPeptide Anti-Wrinkle Tone, Serum, and Face. Apply AM and PM.

HydroPeptide - C-P4 Intensive Delivery Anti-Aging Peel System

Product ID: 27853

A 4-minute face and body lift! Jump start your skincare with a system clinically designed to dramatically accelerate the results of any anti-aging treatment. HydroPeptide C-P4 Intensive Delivery Anti-Aging Peel offers the perfect amount of exfoliation to help soften and resurface the skin while maximizing the penetration of clinically-proven actives. Vitamin C/Pearl-Peptide Crystals 2 oz.: Micro-crystals gently exfoliate and resurface the skin while increasing active penetration of Vitamin C and Peptides to the proper levels. Rapid ProActivating Gel 2 oz.: ProActivating Gel infuses the skin with Vitamin C & Peptides while providing secondary exfoliation and minimizing the appearance of pores, line and wrinkles.

Retail Price: \$62.95

Usage:

Step 1: Twice a week, apply 1 teaspoon of Vitamin C/Pearl-Peptide Crystals all over clean/toned skin. Once applied, crystals should appear similar to a mask. Gently massage in circular motion over target areas for 1 to 2 minutes. Avoid eye area. Do not scrub, only massage. Step 2: Place a generous teaspoon of activator in palm of hand. Massage activating gel with fingertips on top of Vitamin C/Pearl-Peptide Crystals. Massage for 2 to 3 minutes to infuse Vitamin C and peptides into the skin. Rinse and dry. An overall warming sensation will occur indicating Vitamin C and peptides are active. Follow with nourishing, anti-aging creme.

HydroPeptide - Cellular Transformation Growth Serum

Product ID: 19138

New Product - Try me!

NEW HydroPeptide Cellular Transformation Growth Serum is an unparalleled physiological combination of elements that signal natural cellular activity within the skin. Every active complex is at or above its clinically proven level.

Benefits:

- Helps stimulate and regenerate the production of natural skin elements.
- Minimizes the mechanisms that form wrinkles by inhibiting severe and repetitive muscle contractions that contribute to wrinkle formation.
