MD Skincare - Alpha Beta Daily Body Peel

Product ID: 27955

Dermatologist results. Daily care. For normal, dry, sensitive, and problem skin. The Alpha Beta Daily Body Peel is the first peel formulated for daily at-home use. Its unique two-step system of ready-to-use pads contains a precise blend of alpha-and beta-hydroxy acids, antioxidant vitamins A, C and E, soothing green tea extract, and an oil-free moisturizer to give skin of any age a healthier, more vibrant appearance. Delivers cumulative benefits and optimal results with daily use. Formulated to improve skin firmness, smoothness, and appearance. Fortifies collagen. Retexturizes extremely dry skin. Reduces appearance of breakouts. Fades discoloration.

Retail Price: \$78.00

Usage:

This product is for the body only; do not use on face or facial areas. For maximum freshness, use all pads within 30 days of opening.

Step 1: Alpha Beta Refining (30 Treatments): For AM or PM use on clean, dry skin. Swipe pad over entire body, or targeted special areas like legs, chest, back, arms. Continue to apply evenly until pad feels dry. If necessary, a second pad may be used. Do not rinse or apply any other product. Wait 2-5 minutes. Follow step 2.

Step 2: Neutralizing System (30 Treatments): This revolutionary transition step is the key to professional results. Swipe Step 2 pad over body with the same technique. Apply until the pad feels dry. Do not rinse or use products containing alcohol. Infrequently, temporary redness after use may occur which may be alleviated by using less pressure when applying pads. This does not indicate irritation. Because this product may make your skin more sensitive to the sun, continued use of sunscreen reduces the chance of possible sunburn.

MD Skincare - Anti-Aging Vitamin C Gel

Product ID: 27880

Even though Vitamin C is the most effective antioxidant to stimulate and repair collagen we are not satisfied with just one form, so we have combined three different forms to work synergistically. This product will drastically reduce the amount of future discoloration on your skin and works to lighten existing discoloration. Your skin tone will be even, replenished and recharged.

Retail Price: \$65.00

Usage:

Apply to skin after nightly cleansing with All-In-One Facial Cleanser with Toner. After application, you may use your favorite M.D. Skincare moisturizer.

MD Skincare - Antioxidant Firming Face Serum

Product ID: 27881

12 anti-aging ingredients in one revolutionary product promote skin-firming collagen, skin density, and helps protect against damage from free radicals and the passage of time. Different skins respond to different ingredients--not to worry, we have all bases covered!

Retail Price: \$78.00

Our Price: \$70.20

Usage:

Apply a thin veil AM and/or PM all over clean, dry face and neck. Use under your regular moisturizing, or over Anti-Aging Vitamin C Gel.
