Product ID: 13854

You will receive 4 full size products of Gentle Cleanser, Soothing Conditioner, Serum, and Moisturizing Solution for a complete daily regimen for Rosacea. Results may be seen as soon as a few days. With continued use, Rosacea will be under control. Noxadem Serum is a new revolutionary product that will reduce redness for a renewed you. Anti-Inflammatory, Calming, and Soothing will be the result for red, inflamed Rosacea skin!

Retail Price: \$120.00

Usage:

Cleanser - Massage gently on damp face. Rinse thoroughly with warm water.

Conditioner - Spray a fine mist over entire face.

Serum - Apply small amount to affected area of the skin. If products causes excessive stinging, use the product once a day or every other day until your skin is used to this feeling.

The stinging lets you know this product is working and has been used on patients immediately following Microdermabrasion. This simply means this product may feel harsh but it is very gently.

Solution - Apply small amount to entire face.

Noxadem - Noxadem Serum - For Rosacea Skin

Product ID: 13852

Finally, a product for Rosacea that works! An intense tingling, cooling sensation is felt when this product is applied. This sensation will subside after a few minutes.

Results may be seen as soon as a few days. With continued use, Rosacea will be under control. Noxadem Serum is a new revolutionary product that will reduce redness for a renewed you.

Anti-Inflammatory, Calming, and Soothing will be the result for red, inflamed Rosacea skin!

This proprietary formula is patented.

This product works best on Sub type 1 and Sub type 2 patients.

Subtype 1 (erythematotelangiectatic rosacea), characterized by flushing and persistent redness, and may also include visible blood vessels.

Subtype 2 (papulopustular rosacea), characterized by persistent redness with transient bumps and pimples.

Subtype 3 (phymatous rosacea), characterized by skin thickening, often resulting in an enlargement of the nose from excess tissue.

Subtype 4 (ocular rosacea), characterized by ocular manifestations such as dry eye, tearing and burning, swollen eyelids, recurrent styes and potential vision loss from corneal damage.

This is only a guide and should not be used to self diagnose.

Retail Price: \$60.00

Our Price: \$54.00

Usage:

Apply small amount to affected area of the skin. If products causes excessive stinging, use the product once a day or every other day until your skin is used to this feeling. The stinging lets you know this product is working and has been used on patients immediately following Microdermabrasion. This simply means this product may feel harsh but it is very gentle.
