Obagi - Clenziderm M.D. Starter Set Normal-Oily

Product ID: 14233

Obagi CLENZIderm M.D. System is a prescription-strength three-step anti-acne system. It uses a revolutionary new liquid-gel form of benzoyl peroxide in combination with salicylic acid that allows for deeper penetration to control acne-fast!

This powerful system works on three primary causes of acne:

- 1.) Excess oil
- 2.) Clogged pores
- 3.) Acne-causing bacteria

The products in this three-step system have been specially formulated to work together to deliver acne-fighting medicine deep within your pores where acne starts. CLENZIderm M.D. is clinically proven to penetrate the pores deeply and clear acne quickly.

Using CLENZIderm M.D. every day, you can reduce the visible signs of acne in as little as two weeks and prevent new breakouts, helping you maintain clear, healthy skin.

Daily Care Foaming Cleanser (4 oz.):

Gentle foaming salicylic acid cleanser.

Removes dirt and acne-causing excess oil.

Leaves skin clean and refreshed.

Pore Therapy (4 oz.):

Salicylic acid acne treatment.

Unclogs pores and clears dead skin cells.

Prepares pores to deeply absorb the Serum Gel.

Serum Gel (1.7 oz.):

The only liquefied benzoyl peroxide acne treatment.

Using Soluble Therapeutics technology, it delivers medication deep within the pores to clear acne quickly.

Helps prevent new breakouts from occurring by targeting acne at its source.

Retail Price: \$130.00

Our Price: \$117.00

Usage:

Daily Care Foaming Cleanser (4 oz.): Use once a day or as directed by your physician.

Wet face. Gently massage product all over face for 20-30 seconds, avoiding eye area. Rinse thoroughly and pat dry. Wait 10-15 minutes to allow skin to dry completely before applying Pore Therapy.

Because excessive drying of the skin may occur, start with 1 application per day. If bothersome dryness or peeling occurs, reduce application to every other day.

Pore Therapy (4 oz.): Use once a day or as directed by your physician. Cleanse the skin thoroughly before applying medication. Moisten a cotton ball and smooth the cotton ball over your face. Allow to dry. Because excessive drying of the skin may occur start with 1 application per day. If bothersome dryness or peeling occurs, reduce application to every other day.

Serum Gel (1.7 oz.): Use once a day or as directed by your physician. Clean the skin thoroughly before applying. Pump product 1 time onto pad provided and apply evenly to entire face, avoiding the eyes, nose and mouth. Because excessive drying of the skin may occur, start with one application per day. If bothersome dryness, or peeling occurs, reduce application to every other

day. If going outside, use a sunscreen: Allow Obagi CLENZIderm M.D. Serum Gel to dry, then follow directions on the sunscreen labeling.

Obagi - Clenziderm M.D. Therapeutic Lotion - BPO 5%

Product ID: 14239

5% solubilized BPO lotion quickly clears acne and prevents new breakouts without drying the skin. Dries up acne pimples and helps prevent new acne pimples. Do not use if you have very sensitive skin or are sensitive to Benzoyl Peroxide.

Retail Price: \$70.00

Our Price: \$63.00

Usage:

Use once a day or as directed by your physician. Clean the skin thoroughly before applying. Pump product 1 time onto fingertip and apply evenly to entire face, avoiding the eyes, nose and mouth. Allow Therapeutic Lotion to absorb completely before applying Therapeutic Moisturizer. Because excessive drying of the skin may occur, start with one application per day. If bothersome dryness or peeling occurs, reduce application to every other day. If going outside, use a sunscreen. Allow ObagiCLENZIderm M.D. Therapeutic Lotion to dry, then follow directions in the sunscreen labeling.

Obagi - Clenziderm M.D. Therapeutic Moisturizer

Product ID: 14240

Non-comedogenic glycerin-rich formula to calm, soothe and protect skin. Temporarily protects chapped or cracked skin. Helps protect from the drying effects of wind and cold weather.

Retail Price: \$34.00

Our Price: \$30.60

Usage:

Apply as needed.

Healthy Skin Protection SPF 35 1 oz: This is step six in Obagi's regimen. Healthy Skin Protection SPF 35 daily sunscreen provides broad-spectrum sun protection. This ultra-smooth Z-cote formula helps prevent sunburn from UVB radiation and protects against long UVA rays linked to keep premature skin-aging. Apply every morning as part of the Nu-Derm Skin Health Restoration System.

Obagi - Condition and Enhance System Non Surgical

Product ID: 28259

Skincare and protection should be a fundamental part of good health and beautiful vibrant skin. Your skin needs special care to stay young and healthy. The Obagi Condition and Enhance System is the leading prescription skincare program that works at the cellular level for skin that looks and acts younger and healthier. Whether you're planning a surgical or nonsurgical procedure, the Obagi Condition & Enhance System uses proven ingredients and penetrating technologies to help ensure a successful outcome.

Kit Includes:

Foaming Gel (6.7 oz.): Obagi Foaming Gel is a soap-free cleanser that removes impurities, oil and make-up. This special formula prepares the skin for the transformation process. It is designed for use with nonsurgical procedures.

Toner (6.7 oz.): Obagi Toner, formulated with alum (a natural astringent), adjusts the pH of the skin for optimal penetration of the treatment ingredients in the System.

Clear (2 units)(2 oz.): Obagi Clear corrects uneven skin color and brown spots, continuing the transformation process.

Exfoderm Forte (2 oz.): Obagi Exfoderm Forte exfoliates dead surface skin cells and smoothes roughness, aiding in penetration of treatment ingredients in the System.

Blender (2 oz.): Obagi Blender maximizes skin transformation when prescribed with Tretinoin cream. Blender evens skin color and tone, making skin look and act younger and healthier.

Healthy Skin Protection SPF 35 (3 oz.): Obagi Healthy Skin Protection contains 9% micronized zinc oxide to protect the newer, healthier skin created during skin transformation. This high concentration of micronized zinc oxide provides protection against long UVA rays linked to deep premature aging.

Retail Price: \$418.00

Usage:

Foaming Gel (6.7 oz.): Apply to damp face and neck with moistened fingertips in the morning and evening. Rinse completely with warm water.

Toner (6.7 oz.): Apply after cleansing in the morning and evening. Saturate cotton pad and wipe gently over face and neck. Avoid eyelid area. Do not rinse off.

Clear (2 units)(2 oz.): A thin layer should be applied to the affected area in the morning and evening, or as directed by a physician. If no improvement is seen after three months of treatment, use of this product should be discontinued. Sun exposure should be limited by using sunscreen agent, a sun blocking agent, or protective clothing to cover bleached skin during and after usage of this product in order to prevent repigmentation.

Exfoderm Forte (2 oz.): Apply to the face in the morning, following the application of Obagi Clear, as directed by a physician. Follow with the appropriate Obagi sun protection.

Blender (2 oz.): A thin layer should be applied to the affected area in the morning and evening or

as directed by a physician. If no improvement is seen after three months of treatment, use of this product should be discontinued. Sun exposure should be limited by using sunscreen agent, a sun blocking agent, or protective clothing to cover bleached skin during and after usage of this product in order to prevent repigmentation.

Healthy Skin Protection SPF 35 (3 oz.): Apply liberally to all exposed areas. Apply at least 15 minutes before sun exposure and reapply frequently after prolonged swimming, excessive perspiration, vigorous activity or toweling.

Obagi - Elastiderm Decolletage System

Product ID: 28020

The Obagi ELASTIderm Decolletage System is a revolutionary skincare system designed to reduce age spots, hyperpigmentation and the appearance of fine lines and wrinkles to the delicate chest and neck area (also known as the decolletage). Sun exposure and the aging process can make this

vulnerable skin thinner and prone to discoloration and wrinkles. And because it is a highly visible area, it's important to treat the decolletage to improve and maintain its appearance. The ELASTIderm Decolletage System includes a proprietary Restorative Elasticity Complex in the Wrinkle Reducing Lotion, which not only helps replenish elasticity, but also helps stimulate the production of collagen for improved strength and resiliency. The Skin Lightening Complex works to correct, restore and maintain the radiant, youthful glow of decolletage skin.

Retail Price: \$184.00

Our Price: \$165.60

Usage:

Skin Lightening Complex: Apply 2 pumps evenly to the chest and neck area twice daily, in the AM and PM, as directed by a physician.

Wrinkle Reducing Lotion: Apply 2 pumps evenly to the chest and neck area twice daily, in the AM and PM.

Obagi - Elastiderm Eye Cream Holiday Promo 2009

Product ID: 28262

2009 Holiday Promo. Receive a 0.5 oz Elastiderm Eye Cream with an Obagi travel bag. A \$145.00 value.

Obagi ELASTIderm Eye Cream is a one of a kind topical eye treatment that works to bring back lift, snap and resilience to the delicate skin around the eyes. Using a proprietary Restorative Elasticity Complex, it's clinically proven to help replenish elasticity and build the collagen necessary to reduce fine lines and wrinkles in as little as two weeks. For normal to dry skin or for those who prefer the rich consistency of a cream.

Retail Price: \$80.00

Usage:

After cleansing skin, gently apply small dots of the ELASTIderm eye treatment around the eye area, including lid, under-eye and corner creases. Smooth in until thoroughly absorbed. Avoid getting into eyes. For best results, apply twice daily, in the morning and at night.

Obagi - Obagi-C Rx Skin Health System

Product ID: 14241

One system that does it all for young skin. The Obagi-C® Rx System intervenes to correct the early signs of aging and environmental damage, while preventing future damage and protecting the beautiful young skin you already have.

Only the Obagi-C Rx System addresses all the needs of young skin by:

- Correcting hyperpigmentation (discoloration)-evens skin tone and enhances color uniformity-by regulating the production of the cells responsible for pigment in your skin
- Promoting skin cell turnover through gentle exfoliation to expose more glowing, healthy skin
- Preventing future skin cell damage by neutralizing free radicals and protecting the skin from UVA (aging) rays and UVB (burning rays)

The comprehensive system includes a Cleansing Gel, Clarifying Serum, Exfoliating Day Lotion, SunGuard, and C-Therapy Night Cream with vitamins C & E.

Retail Price: \$320.00

Our Price: \$288.00

Usage:

C-Cleansing Gel: Apply to damp face and neck with moistened fingers, rub in a circular motion and rinse completely with luke warm water.

C - Clarifying Serum: After washing face with C-Cleansing Gel, apply a half dropper of serum to the affected area or as directed by a physician.

C- Exfoliating Day Lotion: Apply to the face and neck in the morning after Obagi-C Rx System C-Clarifying Serum and before C-SunGuard SPF 30. Massage in gently.

C- Therapy Night Cream: After washing face with C-Cleansing Gel, apply an even layer to the affected are nightly or as directed by a physician.

C-SunGuard SPF 30: Apply each morning and liberally during the day as part of the Obagi-C Rx System.
