Topix Product Line

Topix - Aloe Cort Cream

Product ID: 16400

Contains hydrocortisone, SUP, 1% to deliver temporary relief of itching associated with minor skin irritation, inflammation, and rashes. Moisturizing base of pure food-grade aloe vera assists in soothing irritated skin. Enhanced with glycerin to moisturize and soften. Contains dimethicone to help prevent water loss and improve moisturization. Formulation is pH balanced, non-comedogenic, and fragrance-free.

Retail Price: \$13.45

Usage:

Adults and children 2 years of age and older. Apply to affected area not more than 3 to 4 times daily, or as directed. Consult a physician for children under 2 years of age.

Topix - Benzaderm 10% Wash (w/ aloe vera)

Product ID: 16404

Contains 10% benzoyl peroxide to deliver proven antibacterial benefits in the treatment of mild to moderate acne. Moisturizing base of pure food-grade aloe vera gel assists in soothing irritated skin. Effective cleansing and moisturizing action in a soap-free base. Formulation is pH balanced and oil-free.

Retail Price: \$10.15

Usage:

Shake well. Wet affected area, wash, and rinse well. Use once or twice daily or as directed by a physician. If bothersome dryness or peeling occurs, reduce application to once a day or every other day. If going outside use a sunscreen. Apply sunscreen according to directions.

Topix - Benzaderm Gel 10%

Product ID: 16403

Contains 10% benzoyl peroxide to deliver proven antibacterial benefits in the treatment of mild to moderate acne.

Retail Price: \$8.15

Usage:

Cleanse the skin thoroughly before applying medication. Cover the entire area with a thin layer one to three times daily. Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day. If going outside use a sunscreen. Allow benzoyl peroxide gel to dry, then apply sunscreen.

Topix - Benzaderm Gel 5%

Product ID: 16405

Contains 5% benzoyl peroxide to deliver proven antibacterial benefits in the treatment of mild to moderate acne.

Retail Price: \$7.00

Usage:

Cleanse the skin thoroughly before applying medication. Cover the entire area with a thin layer one to three times daily. Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day. If going outside use a sunscreen. Allow benzoyl peroxide gel to dry, then apply sunscreen.

**Topix - Solvere Four Step Acne Clearing Kit**

Product ID: 16468

Solvère™ is a comprehensive Acne Clearing System marketed exclusively through physician's offices.

Step One: Solvère™ Cleanser: 2% Salicylic Acid with 2% Glycolic Acid.

Ultra pure glycolic acid coupled with the proven acne fighting ingredient salicylic acid 2%. Specially formulated to accelerate the removal of dead skin cells that can interfere with the proper oil drainage of the skin. Salicylic acid 2% helps to reduce the number of acne blemishes (papules & pustules) and blackheads (comedones) and allows the skin to heal. Can also be used as a body wash.

Step Two: Solvère™ Toning Pads: 2% Salicylic Acid with 2% Glycolic Acid - Ultra pure glycolic acid 2% coupled with the proven acne fighting ingredient salicylic acid 2%. Specially formulated to accelerate the removal of dead skin cells that can interfere with the proper oil drainage of the skin. Salicylic acid 2% helps to reduce the number of acne blemishes (papules & pustules) and blackheads (comedones) and allows the skin to heal.

Step Three: Solvère™ Gel: 2.5% Benzoyl Peroxide Gel -This gel is the perfect spot treatment utilizing the antibacterial properties of benzoyl peroxide.

Step Four: Solvère™ Fortified Moisturizer: oil-free, enriched with antioxidants. This facial moisturizer recommended for all skin types. This soft cream is made from the purest food-grade aloe vera gel which has been carefully processed and is rich in natural mucopolysaccharides. Squalane, a stabilized natural emollient found in healthy skin, and dimethicone further prevent moisture loss.
